

AGGUSA Protocol for International Assignments for National Team and children's teams.

For National Team Members, AGGUSA Federation assigns required international assignments per Season. The assignments will be given at the beginning of each season. In order to be ranked in the world, the National Team is required to participate in three world cups and world championships.

For childrens' teams, the AGGUSA federation will give each team a proposal for the competitions they will attend. At the meeting before each season, the international assignments will be determined.

Logistics for international registration and for international competitions.

1. AGGUSA Federation registers all gymnasts, coaches, and members of delegations for the approved INTERNATIONAL competitions (including Canada and Mexico).
2. AGGUSA Federation makes all hotel reservations for international assignments. National Team and childrens' teams will reside in assigned hotels by the competition host organizers only. If the parents would like to stay in the host hotel with athletes, the parent's reservation for the hotel MUST be made and paid to AGGUSA. All the federation travel is self-funded.
3. AGGUSA Federation makes all the travel reservations for hotel/meals, and transportation once the teams arrive at the the airport of the host country and for the duration of the trip. Parents MUST have their own transportation from airport to host city and back.
4. There should be at least one parent representative for four (4) children team to help the coach after training/competition. There should be at least two parent representatives for a (6) six-person team. For (9) nine people teams, there should be at least three parents.

In case one of the team members or a team withdraws from the competition after payments are made, none of the payments are refundable.

Travel Protocols

1. Gymnasts may not reside in the same quarters as a coach for safety and may not eat at the same table with a coach unless it's approved by the parent.
2. All gymnasts will travel together and reside together; only once the competition is over gymnasts may travel separately from the team.
3. Parents must stay in separate hotel rooms if they are traveling with the gymnasts.
4. If parents are staying in the same hotel with a gymnast, please note that the team must eat meals together as a team in the host hotel of the competition and be in team apparel for all meals and team events.
5. During travel: All athletes MUST have only a backpack for carry-on, the rest of the suitcases must be checked in.
6. At airport walking rules: 1) Coach a head 2) Athletes behind coach 3) Parents behind athletes
