

AGGUSA Protocol for International Assignments for National Team and children's teams.

For National Team Members, AGGUSA Federation assigns required international assignments per Season. The assignments will be given at the beginning of each season. In order to be ranked in the world, the National Team is required to participate in three world cups and world championships.

For childrens' teams, the AGGUSA federation will give each team a proposal for the competitions they will attend. At the meeting before each season, the international assignments will be determined.

Logistics for international registration and for international competitions.

1. AGGUSA Federation registers all gymnasts, coaches, and members of delegations for the approved competitions.
2. AGGUSA Federation makes all hotel reservations for international assignments. National Team and childrens' teams will reside in assigned hotels by the competition host organizers only. Payment for the hotel reservation is due 10 weeks before travel.
3. AGGUSA Federation makes all the travel reservations for flights, and other transportation once the teams arrive at the competition. Payment is due when the host competition organizers give out all information.

In case one of the team members or a team withdraws from the competition after payments are made, none of the payments are refundable.
