Dear Gentlepersons:

As President of the Aesthetic Group Gymnastics Federation of the USA ("AGG USA"), the national governing body of the aesthetic gymnastics in the United States, I am humbled by the opportunity to open our arms and offer assistance to our international sister sporting federation, Federation of Aesthetic Group Gymnastics of Ukraine, and its national team, Alcor Mizar, during this tragic time of war in Ukraine.

AGG USA is recognized as a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code as a youth development and sporting nonprofit organization. Our organization is currently working with its member gym Emerald City Academy of Rhythmic and Aesthetic Gymnastics and other member gyms to publicize our fundraising campaign to benefit the Ukrainian National Team.

In addition to raising funds in support of the Ukrainian National Team to cover airfare to the United States, we are seeking assistance with basic needs including, but not limited to:

- Housing
- Food
- Clothing
- Education
- Jobs
- Local transportation

The team also hopes to resume training at local facilities in the hopes of once again representing Ukraine in international competition.

If you are interested in working with this on this important project, please let us know. We are grateful for your support.

Sincerely,

Elena Baltovick

President
