

AGG USA Exception Form

AGGUSA is aware that extenuating circumstances may arise from time to time. To afford each team an equal opportunity to correct unavoidable situations, we offer a one-time pass, per team, per season. This pass may be used at any time during the competitive season, and only within national-level events (without international participation). This pass must be submitted to the Judging panel for ONE competition ONLY, and is non-transferable to other teams, both within a club and to another club. Passes expire at the end of each season. If a team does not use the pass, then it shall become null and void at the end of the annual season. If the club does not fix the issue, then the team will have an appropriate deduction under the rules.
